➤ About Me

I am a Visual Arts K-12 teacher committed to creating a safe, inclusive classroom that encourages creativity, respect, and student engagement. I bring a positive, adaptable teaching style, strong communication skills, and calm problem-solving. My experience tutoring has strengthened my ability to support diverse learners, and I am dedicated to fostering equity, cultural awareness, and a supportive learning environment.

➤ Goals

My goal is to inspire creativity and confidence in students while helping create and support artistic extracurricular activities that strengthen student engagement and school community.

➤ Philosophy

I believe every student has creative potential, and my role is to nurture it in a supportive, inclusive art classroom. I emphasize growth, process, and student voice, encouraging risk-taking and self-expression while meeting diverse needs. My goal is to empower students to use art as a tool for confidence, connection, and lifelong learning.
